Whitley Neill Japanese Yuzu & White Strawberry

HALEWOOD
Wines & Spirits

England

Typ: Sprit

Om produkten: Upptäck Whitley Neills senaste mästerverk – Japanese Yuzu & White Strawberry gin! Denna unika gin kombinerar den friska och citrusaktiga yuzu-frukten med en subtil sötma från vita jordgubbar. Resultatet är en elegant gin med en perfekt balans mellan syra och sötma. Med sin aromatiska doft och uppfriskande smakprofil blir den en favorit för alla tillfällen!

Producent: Halewood International

Om producenten: Halewood Wines & Spirits has grown from a small a start-up, to becoming the UK's largest independent drinks manufacturer and distributor by volume.

In the last three years, the company has embarked upon a huge transformational change. It has created an artisanal spirits and craft beer portfolio via acquisition and organic growth. This has propelled the business forward by focusing on core objectives; building distributional strength, driving vertical integration, identifying trends, rationalisation of low margin brands and creating consumer activations with the core purpose of building strong brand equity. Investment in production capability, especially distilling, brewing and sourcing, has stimulated development of higher quality products with a point of difference.

Doft: Citrus, sötma
