**About the Producer:**

**In Camparo's wines you can sense all the aroma, body and character of the Langhe, and of a land farmed with passion and understanding, following the directions that only nature can provide.**

We are in the Langhe in Piedmont, home to wines, hazelnuts and great wine and food traditions, in a land worked by vignerons with courage and patience. Azienda Agricola Camparo is to be found at the heart of this extraordinary terroir, where three generations have written the story of a successful family business grounded in the organic growing of wines and hazelnuts.
