Helsinki Rye Malt Sherry Cask Whiskey

Finland

Type: WhiskeySpirits

Systembolaget's Art No: [82645](#)

About the Product: Helsinki Rye Malt Sherry Cask Whiskey from Helsinki Distilling Company is a flavorful rye whiskey that combines Nordic craftsmanship with classic cask aging. It is made from Finnish malted rye and barley, which gives a distinct spiciness balanced by a smooth and round body. The whiskey is first aged in bourbon barrels and then has a final aging in sherry barrels, which adds depth and sweetness. The taste is characterized by notes of dried fruit, caramel, chocolate and spices, where the peppery character of the rye meets the fullness of the sherry. The result is a well-balanced and complex whiskey with a long, warm aftertaste - a fine example of modern Nordic distillation.
