About the Producer:

Winemaker in Sancerre since 1860

Located in the south-east of Sancerrois, we are the fourth generation to cultivate with love, passion and respect for nature, sauvignon blanc and pinot noir on 35 hectares of vines. The Eric Louis vineyard carries a wide range of wines from the Center Loire vineyards: Sancerre, Pouilly-Fumé, Menetou-Salon, Quincy, Reuilly, Châteaumeillant... and also varietal wines in Vin de France.

Wine estate in Sancerre in organic conversion

Certified HVE, we switched to Organic Agriculture in 2020 for certification in 2022 in order to preserve biodiversity and promote the revelation of terroirs. These certifications are the recognition of a work carried out for a long time in favor of nature. This passion for the land marks a range of racy, precise and mineral wines where the fruity expression is always respected.

Color: Beautiful pale gold colour with emerald glints.

Taste: This charming wine has a very fruity and fresh palate with aromas of ripe tropical flavors like passion fruit. It is a very refreshing wine.
