About the Producer: Cheers to life!

This is Serena Wines 1881 identity because good wine, such as water, is made of special alchemies: passion and perseverance to make the most of our work, pride to create our own story through innovative projects and high quality products, and vocation to share our own vision of the future. The Serenas know it very well because they have been real entrepreneurs and ambassadors of the enological 'Made in Italy' for more than 130 years.
