

Whitley Neill Blackberry Gin

HALEWOOD
Wines & Spirits

England

Typ: Sprit

Systembolagets artnr: [85863](#)

Om produkten: Whitley Neill Blackberry Gin har en len smak, med en kärna av enbär följt av söt citrus och inslag av svartpeppar. Finishen har lite jordighet tillsammans med den värmande kryddan av kassia. Finns att beställa på systembolaget, art.nr [85863](#)

Producent: Halewood International

Om producenten: Halewood Wines & Spirits has grown from a small a start-up, to becoming the UK's largest independent drinks manufacturer and distributor by volume.

In the last three years, the company has embarked upon a huge transformational change. It has created an artisanal spirits and craft beer portfolio via acquisition and organic growth. This has propelled the business forward by focusing on core objectives; building distributional strength, driving vertical integration, identifying trends, rationalisation of low margin brands and creating consumer activations with the core purpose of building strong brand equity. Investment in production capability, especially distilling, brewing and sourcing, has stimulated development of higher quality products with a point of difference.
